DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follow:

Claim 12 line 1 change "claim 11", to -claim 8--.

Claim 13 line 1 change "claim 11", to -claim 8--.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

1. Claims 8-10, and 12-16 are allowed because the prior art does not teach a computer implemented layout design method, comprising: generating a first line having a first line width and extending in a predetermined direction', generating a second line having a second line width, extending in a direction different from said first line, and having its terminal end overlapping a terminal end of said first line; stretching said first line in a longitudinal direction thereof, stretching said second line in a longitudinal direction thereof by a length 1/2 times as long as the second line width; deleting a projection from the terminal end of said first line and the terminal end of said second line, the projection protruding from an overlapped area where the terminal end of said first line and the terminal end of said second line overlap; and setting a connection pattern having a polygon connecting said first and second lines at an intersection point of a longitudinal center line of said first line and a longitudinal center line of said second line.

Art Unit: 2825

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
